golf tournament | we enjoy the outdoors

The Lebanon Valley Conservancy's golf tournament will be held at Lebanon Country Club, a beautifully maintained, Audubon certified, private golf course. The event is a scramble format and includes lunch, prizes and a gift bag.

your support | is truly appreciated

Please join us as a sponsor for our golf tournament! Your support will help us continue our work to protect the cultural, historical and environmental resources of our region.

about TLVC | we're here for you

Formed in 2000, TLVC's mission is to promote the conservation of cultural, historical and natural resources through public awareness, education and land preservation. TLVC works in cooperation with neighboring conservancies and trusts, as well as local and state governments, to protect and ensure equitable access to these valuable resources in the Lebanon Valley. To date, more than 1,000 acres of land have been preserved.

the course | it's Audubon certified

The Lebanon Country Club was awarded the designation of "Certified Audubon Cooperative Sanctuary" through the Audubon Cooperative Sanctuary Program (ACSP) for golf courses, which provides information and guidance to help golf courses preserve and enhance wildlife habitat, along with protecting natural resources. To achieve this status, the club worked on wildlife and habitat management, chemical reduction and safety, as well as water conservation and quality, case studies, and local outreach. The Club was first certified in 2007.
